

English as a Second Language (ESL)

Secondary Credit Program (E1) Full day

Courses in English as a second language (ESL) assist students to learn English, the language of instruction, and/or develop the literacy skills they need in order to continue their education. Depending on the student's previous experience with English, they may be placed in ESL level 1, 2, 3, or 4.

ESL Immersion and Camp Program (E2) A.M.

The morning program is designed to improve students' accuracy in using the English language. Students will develop the ability to use oral and written English for daily needs, acquire conversation skills and vocabulary, and use simple sentence patterns. Students will also acquire basic orientation information related to their needs as newcomers to Canada. Students may choose one of the afternoon Camp Programs.

High School Credit Courses (D)

(Full day)

High school credit courses will be offered at the request of students and parents. In order to earn a credit towards the OSSD (Ontario Secondary School Diploma), students must successfully complete the course material and receive a passing grade of at least 50%. Students interested in earning or upgrading a credit this summer must let us know as soon as possible. Please note that course availability is subject to enrollment.

Grade 9 Geography

Students who take Geography in the summer will be able to select Music in Grade 9, as well as a second Arts program (Drama, Visual Arts) or students may select any Grade 10 course (History) that works with their timetable, providing they have the prerequisite.

Grade 10 History

Students who take History in the summer may select a Grade 11 course in Grade 10, providing they have the prerequisite. Grade 11 Anthropology will be offered in the same time period as Grade 10 History to allow students to fast-track.

Grade 9 and 10 French

Students who take Grade 9 French in the summer may select any Grade 10 course in Grade 9 that works with their timetable, providing they have the prerequisite.

Grade 11 Physics

Students who are planning to take more than one science course in their Grade 11 year may choose to take Grade 11 Physics in the summer to make next year's course load more manageable.

Grade 11 English

Students who take Grade 11 English in the summer, may fast-track and take Grade 12 English next year, providing there are no scheduling conflicts with required courses.

Grade 12 English/Grade 12 Physics

Taking a Grade 12 course in the summer can help students by making next year's course load more manageable.

Additional credit courses will be offered based on student interest. Requests can be made by contacting Mrs. Bush or Mr. Zero.

Pre JK to SK

"Jump Start" (A)

A.M.

This program focuses on developing basic academic skills while helping students adjust to full day schooling and structured activities. Emphasis is placed on early literacy and introductory mathematics. The academic portion is balanced with recreational activities including material arts, physical education, and co-operative group activities. Academic and social skills will be further developed. It is the aim of this program to foster in the students a love of learning, and an understanding of their own academic and creative potential.

Grades 1 & 2

"Build Your Skills" (B)

A.M.

This program builds upon the skills learned in Senior Kindergarten and Grade 1. Through the practice of reading, writing and arithmetic skills, students are further prepared for entry into Grades 1 and 2. The morning session focuses on mathematics, fluency in oral reading, and reading comprehension.

Grades 3 - 8

Academic Upgrading (C1)

A.M.

This program focuses on each student's individual learning goals. The learning needs of the student will be assessed and an "Individual Learning Plan" will be designed. Emphasis will be placed on upgrading reading, writing and math skills.

Academic Enrichment (C2)

A.M.

This program is designed to enrich academic ability. Students are provided with opportunities to apply their knowledge and skills to higher level tasks, including critical thinking, communication and problem solving.

Summer Arts Camp (C3)

A.M. or P.M.

This program is designed to introduce and further develop students' visual arts skills and awareness. Students will have the opportunity to build and improve their artistic knowledge and skills through hands-on instruction. There will be an emphasis on a variety of media, such as arts and crafts, drawing, painting, printmaking, etching, and sculpture.

Music: Concert Band (C4)

A.M.

This program is intended for students who have at least two years of band experience. While focusing on improving their technique, students will be working on jazz music as well as advanced band repertoire. This program is intended to allow students to perform with the senior band as well as the jazz band during the school year.

Final Performance!

Computer Camp (C6)

P.M.

This hands-on program provides opportunities for students to further develop their computer skills by exploring current software applications: keyboarding, Office, graphics, design, coding, and programming.

Sports Camp: Soccer Focused (C7)

P.M.

This exciting program is designed to further develop athletic skills while promoting sportsmanship, leadership, and self-confidence. This year, the program will focus primarily on soccer skill development, group cooperation activities, and personal fitness.

Music: Beginner Band (C8)

P.M.

This exciting introductory is for beginners or students in their first year of playing. Students will learn to read music and play their instruments through hands-on instruction.

Final Performance!
