### Weekly Programs - July 5 to July 30

<p><b>(A) "Jump Start"</b> Full Day</p> <p>Pre JK – Grade 1</p>	<p><b>"Jump Start" - Full Day</b></p> <p>This program focuses on developing basic academic skills while helping students adjust to full day schooling and structured activities. Emphasis is placed on early literacy and introductory mathematics. The academic portion is balanced with recreational activities including material arts, physical education, and co-operative group activities. Academic and social skills will be further developed. It is the aim of this program to foster in the students a love of learning, and an understanding of their own academic and creative potential.</p>	
<p><b>(B) "Build Your Skills"</b> Full Day</p> <p>Grades 1-3</p>	<p><b>"Build Your Skills" - Full Day</b></p> <p>This program builds upon the skills learned in Junior and Senior Kindergarten. Through the practice of reading, writing and arithmetic skills, students are further prepared for entry into Grades 1, 2, and 3. The morning session focuses on mathematics, fluency in oral reading, and reading comprehension.</p>	
<p><b>(C1) Personal Academic Upgrading or Enrichment AM</b> <b>Arts Camp PM</b></p> <p>Full Day</p> <p>Grades 4-8</p>	<p><b>Personal Academic Upgrading/Enrichment AM</b></p> <p>This program focuses on each student's individual learning needs and goals. The learning needs of the student will be assessed and emphasis will be placed on upgrading reading, writing and math skills or providing students with opportunities to apply their knowledge and skills to higher level tasks, including critical thinking, communication and problem solving.</p>	<p><b>Arts Camp - PM</b></p> <p>This program is designed to introduce and further develop students' visual arts skills and awareness. Students will have the opportunity to build and improve their artistic knowledge and skills through hand-on instruction. There will be an emphasis on a variety of media, such as arts and crafts, drawing, painting, printmaking, etching, and sculpture.</p>

<p><b>(C2) Personal Academic Upgrading or Enrichment AM Coding Camp PM</b></p> <p><b>Full Day</b></p> <p><b>Grades 4-8</b></p>	<p><b>Personal Academic Upgrading/Enrichment - AM</b> This program focuses on each student's individual learning needs and goals. The learning needs of the student will be assessed and emphasis will be placed on upgrading reading, writing and math skills or providing students with opportunities to apply their knowledge and skills to higher level tasks, including critical thinking, communication and problem solving.</p>	<p><b>Coding Camp – PM</b> This program focuses on teaching logic, and sequence through games, robots, apps, and simple coding challenges. Students will use various platforms to learn about programming concepts like conditionals, variables, loops, and functions. Coding camp participants are required to bring their own device (laptop) to camp.</p>
<p><b>(C3) Personal Academic Upgrading or Enrichment AM Music: Beginner Band PM</b></p> <p><b>Full Day</b></p> <p><b>Grades 5-8</b></p>	<p><b>Personal Academic Upgrading/Enrichment - AM</b> This program focuses on each student's individual learning needs and goals. The learning needs of the student will be assessed and emphasis will be placed on upgrading reading, writing and math skills or providing students with opportunities to apply their knowledge and skills to higher level tasks, including critical thinking, communication and problem solving.</p>	<p><b>Music: Beginner Band - PM</b> This exciting introductory is for beginners or students in their first year of playing.
