School Bus Enrollment Form -2024/2025

All students attending Newton's Grove School are eligible for school bus transportation to and from school. Through our school bus provider, we design a convenient and efficient mix of door to door and centralized pick up and drop off locations. This allows us to reduce the amount of time a student is spending on the bus. Centralized drop off and pick up locations may be routed to nearby locations for groups of children in Grades 6-12.

The School Bus Enrollment form and accompanying payment must be submitted with the registration documents for your child/children to be accommodated in the coming year's routes. Bus spots cannot be guaranteed after July 1st.

School bus bookings that we receive after July 1st may be assigned to existing routes and to the nearest planned stop. We make every effort to keep our route times reasonable, and we work very closely with our school bus provider to try to accommodate the needs of all our families.

Bus Transportation Fee	Both Ways	One Way
Total cost	\$3,940.00	\$2,170.00

Payment dates:

Due – February 14 th , 2024	\$1,970.00	\$2,170.00
Due – June 30 th , 2024	\$1,970.00	

Method of Payment Options:

Payments can be made by e-transfer to jmathura@newtonsgroveschool.com, Plastiq (service charges will apply), cheque or money order. Service charges will be applied for any payments returned as NSF.

All bus transportation fees are non-refundable.

School bus boundaries for daily routes are as follows:

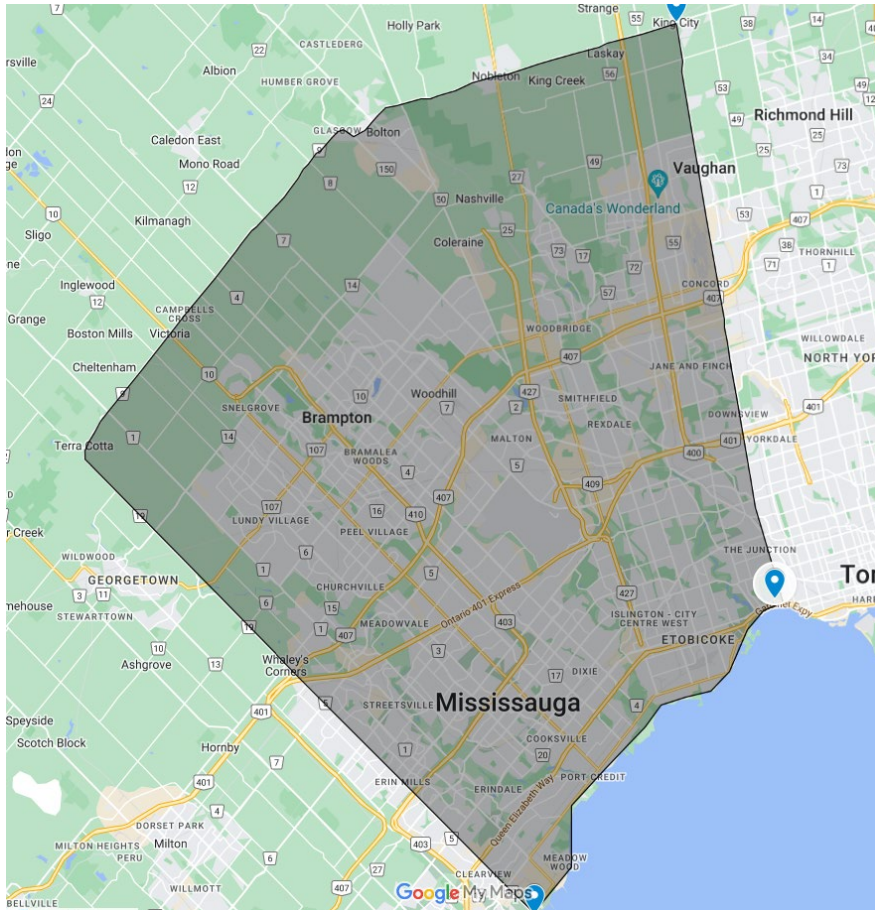

(A map showing a very broad outline is also attached on page 2 of this form).

Keele Street to the East	Winston Churchill Blvd. to the West
Lake Ontario to the South	King Side Road to the North

We do not provide bus service outside of the above school bus boundaries.

Please note:

- Busing times for pick-up and drop-off will be provided by our school bus provider on the Labour Day weekend. It should be noted that initial timing provided by the bus company is provisional until routes are established.
- A route for any child may take up to 90 minutes each way in normal conditions. There are, of course, other circumstances which are beyond our control, such as weather, construction, and accidents. These may increase times beyond 90 minutes.
- Bus enrollments received after July 1st are not guaranteed.
- Drivers are not able to talk or text while driving, so please refrain from calling them. Instead, you should reach out to our school bus provider directly, who will communicate with their drivers via 2-way radio. Contact information will be shared with you at the start of the school year.
- Bus routes and timing are based on enrollment; therefore, routes and times are likely to change each year.
- Any school bus concerns should be addressed to bus@newtonsgroveschool.com or to your student's respective Division Head.

Please return this page, along with your accompanying payment, to the school as soon as possible:
