INTERNATIONAL SUMMER CAMP

Our International Summer Camp offers a dynamic blend of academic excellence, cultural discovery, and personal development. Students engage in a diverse range of learning experiences, combining structured classroom instruction with hands-on, experiential learning. Through thoughtfully curated visits to culturally rich and diverse destinations, participants expand their global perspective while bringing learning to life beyond the classroom.

*It's going to
be your best
summer ...
EVER!*

CN TOWER

The CN Tower, completed in 1975, was constructed as the world's tallest tower, and maintained its iconic status for over three decades. Now an internationally renowned tourism destination, the CN tower welcomes more than two million visitors each year. It is the perfect setting to marvel over Toronto's scenic landscape, watch the clouds roll over the city's skyscrapers, and enjoy the best view of the city that any site has to offer.

RIPLEY'S AQUARIUM OF CANADA

Dive into an unforgettable adventure! Step into a dazzling underwater world where you'll come face-to-face with thousands of colourful fish and curious sea creatures. Wander through an incredible underwater tunnel and experience the magic of the ocean like never before. Ripley's Aquarium of Canada is truly immersive - with hands-on exhibits, up-close animal encounters, and endless moments of wonder!

TORONTO ZOO

The Toronto Zoo has over 3,000 animals representing over 300 species, and 10km of walking trails. The Zoo is divided into seven zoogeographic regions and offers a number of interactive experiences. From its attractions and adventures, exciting behind the scenes encounters, and experiential events and programs, the Toronto Zoo offers guests a wild, educational, fun, and unforgettable time.

ROYAL ONTARIO MUSEUM

The Royal Ontario Museum is a museum of art, world culture, and natural history in Toronto. It is one of the largest museums in North America and the largest in Canada. It attracts more than one million visitors every year, making it the most-visited museum in Canada.

CASA LOMA

Casa Loma is regarded as a treasured heritage landmark and is one of Toronto's top tourist attractions. Each year over 650,000 visitors tour Casa Loma and its grandiose estate gardens. Visitors to this historic site enjoy its unique architecture. This is just one of the many reasons that it was named the Best Venue in North America by BizBash (2016).

NIAGARA FALLS

There's plenty to see and do in Niagara Falls, from the iconic cascades to charming communities, local flavors, and historic sites. Niagara Falls is an unforgettable experience of rich history, culture, outdoor life, and shopping.

NIAGARA FALLS OUTLET SHOPPING MALL

Fashion Outlets Niagara Falls is the must-shop destination when visiting the Niagara region. Given its proximity to the US border and boasting more than 120 brands, the outlet shopping mall is considered the premier Niagara Falls outlet mall in Canada.

A Truly Immersive Canadian Experience

Our program enables international students to collaborate with and work alongside Canadian-based students, for the duration of their two-week camp experience. This provides international students with the unique opportunity to entirely immerse themselves in the Canadian culture and significantly enhance their English language skills.
